

We are inviting students to study
at VILNIUS OZAS GYMNASIUM

for 2014/2015 academic year
using the method of Distance learning (online) in such groups:

**“Labas“ - the course on the Lithuanian language for the Beginners‘ (aged 7 to 18);
Lituanistic Education - the course including the Lithuanian Language, Lithuanian
History, Lithuanian Geography, Ethno Culture, the subject of Perception and
Understanding of the World in forms 1-8 and I-IV (9-12) gymnasium classes (aged 7-18)
according to general education programs approved by the Ministry of Education and Science.**

12 years of successful Distance Teaching experience!

Education is free.

Having completed the course successfully, students receive a certificate verifying their learning achievements.

Education is available for all 7 to 18 year old Lithuanian citizens and people of Lithuanian descent.

Vilnius Ozas Gymnasium is the only school in Lithuania offering a synchronic distance education:

Professionally prepared e-lessons on different subjects.

Teachers' consultations via Skype during each lesson.

Thorough and regular learning.
